In making your decision, consider the four commitment levels below and how they relate to your membership. Consider your UU values in thinking about your income and your financial commitment to the congregation, as expressed in the four levels below. Note that within each commitment level, **the guide is progressive**, with giving levels rising with capacity.

**Transformer:** I am deeply committed to the congregation; my contribution provides fuel for transformation and is part of my spiritual practices in living out my UU Principles. My financial commitment represents 7% to 10% of my income.

**Visionary:** My commitment is a clear demonstration of the unique importance of this congregation and of my spiritual principles. My financial commitment starts at 5% of my income and rises to 9% as my income and capacity rise.

**Sustainer:** The congregation is my central community; I am committed to sustaining the programs and ministries of my congregation. My financial commitment starts at 3% of my income and rises to 7% as my income and capacity rise.

**Supporter:** The congregation is a significant part of my spiritual and intellectual life that I want to support. My financial commitment starts at 2% of my income and rises to 5% as my income and capacity rise.
